Letter to Legat Havana  
Re: Anti-Fidel Castro Activities  
(109-584)

~~SECRET~~

~~CONFIDENTIAL~~

Concerning Arturo Fernandez de Castro who reportedly has data concerning plots against Cuba, paragraph 1 a (16) of the enclosure, Miami refer to its letter 3/29/56 concerning [Eidel Alejandro Castro Ruz and] Juan Manuel Marquez, Miami file 109-25. This letter sets forth information concerning one Arturo Fernandez de Castro who is the uncle of Juan Fernandez de Castro. It is noted that Juan Fernandez de Castro is identical with MM 635-S. You should identify Arturo Fernandez de Castro, determine his activities and whether he is the uncle of MM 635-S. Submit results under the caption of Arturo Fernandez de Castro. (S) (u) [109-539-51] (S) (u)

In view of the indication in paragraph 4 that Jack Pearlman appears to be involved in public relations work with the Government of Cuba, Miami will endeavor to identify him, determine if he is registered with the Registration Section of the Department and whether he is engaged in public relations work for the Government of Cuba. Submit results under Pearlman's caption.

NOTE: Air Attache, U. S. Embassy, Havana, furnished copy of memo setting forth results of meeting with member Cuban Prime Minister's Office. Latter provided data concerning alleged conspiracies against Cuban Government, stating that if some of the individuals involved were apprehended he was certain it would go a long way toward improving U. S.-Cuban relations. Cuban official stated Wallace Shanley, Customs, Miami, was receiving money from Batista and reportedly had list of people conspiring against Cuban Government which he allegedly offered to trade for list of communists in Cuba. Concerning this item, Legat, Havana, noted that the hatred of the July 26th Movement for Customs agents in Miami is again reflected. Legat, Havana, pointed out the hatred might be based on the fact that the Customs agents in Miami confiscated arms destined for the July 26th Movement before the revolution successfully terminated. Cuban official also furnished the names of a number of individuals allegedly involved in arms smuggling for the Dominican Republic, including individuals allegedly connected with Miami P.D.
